For April 2012

## Report Description

This report uses data collected at the end of the current report month. The graphs and numbers for historical months also use data from the historical month listed. For the purpose of this report, a person is considered family for the child if they have the following relationships:

- Father
- Mother
- Stepfather
- Stepmother
- Grandfather
- Grandmother
- Pre-adoptive father
- Pre-adoptive mother
- Adoptive grandparent
- Legal Guardian

**Children out of home with case plan goal of reunification** – This column shows the number of children in out of home placement at the end of the report month who also have reunification as the most recently entered primary case plan goal.

**Children with visits to their family during the month** – This section of the report shows data regarding children who have had a visit with the child's family (as described above) begin during the report month.

**Children** – This is the total number of children that the child had at least one visit with a member of the child's family during the report month.

**Rate** – This is the total number of children that the child had at least one visit with a member of the child's family divided by the total number of children in out of home placement at the end of the report month with case plan goal of reunification(as described above).
